FOOD SAFETY TRAINING COURSES

The Livingston County Department of Public Health (LCDPH) is offering food safety training classes. The course is intended to provide restaurant employees, food handlers and the public with knowledge of food sanitation to prevent food contamination and foodborne illness. The class includes a food handling guidebook and a certificate of completion. This class is not a substitute for manager certification.

TOPICS INCLUDE

What is Food-borne Illness
Food Contamination and Food Allergens
The Safe Food Handler
Personal Hygiene and Employee Health

Receiving Safe Food
Protecting Food in Storage and Preparation
Protecting Food in Cooking and Serving
Cleaning and Sanitizing
